Great News! November 2008

We were able to meet our first goal in support of the  
Astra Zeneca Hope Lodge of Philadelphia THANKS TO YOU!!!

Our \$25,000 goal for the Florinda Olivieri-George memorial room  
was reached this past November!

Take a look at the pictures of the job site when we visited with  
Patrick Delaney of the American Cancer Society.

Will, Dante, Mrs. Olivieri, Sal & I were given a tour of the site. It  
is to be finished sometime this spring.

Look for future updates!

Without you this goal could not have been achieved!  
This is a direct result of your support!  
Know that your donations will go to help a cancer patient and their  
families when traveling to the Philadelphia Area for their  
treatment!

Scouting For A Cure Foundation, Inc thanks and salutes  
All our supporters in achieving our first goal!

Humbly,

*Liz Olivieri*  
Secretary, SFAC
