To All the Friends of Scouting For A Cure:

Just a note to extend my sincerest thanks to all who supported our 2<sup>nd</sup> Annual Scouting For A Cure Golf Outing! Your continued support and generosity is very much appreciated. Once all the figures are calculated and the bills paid, we should be able to reach our first goal of a memorial room at the Astra Zeneca Hope Lodge of Philadelphia! This \$25,000 pledge could not be achieved without YOU! It is my hope that this will be one of many rooms we will be able to sponsor at the "Lodge."

With Warm Regards,

*Will George*  
President
